# SUPER SUNDAYS- BEYOND BOOKS

At our school, we have a unique initiative called Super Sundays, where we dedicate one Sunday each month to conduct specialized workshops. These sessions are designed to provide our students with **valuable insights** on a wide array of **relevant topics**, all explored from an **Islamic perspective**. Topics we've covered in the past include essential themes like **puberty**, **gratitude**, **leadership**, **entrepreneurship**, and **health & fitness**.

Super Sundays are a cornerstone of our educational approach, ensuring that our students receive a well-rounded education that prepares them for all aspects of life. The specially curated workshops include **games**, **activities**, **quizzes**, **reflections**, **roleplays** and **loads of goodies to takeaway!**

# FIELD TRIPS

Each year, we organize annual Islamic field trips, known as **Taddabur trips**, these excursions are planned to immerse students in environments that **inspire contemplation and appreciation of Allah's creations.**

## PUBLIC SPEAKING

At AMTS, we introduce the concepts of public speaking in a fun and engaging way, with activities like '**Just a minute**' for our Little Mu'mins, '**Debates**' and '**Creating Your Own Podcast Channels**' for our older students. We equip our students with the tools to become **confident public speakers** for the sake of Allah.

# RAMADAN AT AMTS, AL BARAHA

To make the most of this month, we take a break from our usual subjects, and shift to our **special Ramadan classes**, with super beneficial & fun weeks planned for the sacred month. We turn our **attention more towards the Quran**, both recitation & tafseer.

Students **assemble their own charity box**, filling them up with different fruits, drinks and snacks. Our senior male students go the extra mile to help distribute the boxes to the deserving later in the day. This exercise is done to inculcate **the essence of charity**, generosity and how **group effort** can go a long way in bringing about khayr in our surroundings.

## CHARITY DRIVE

# ANNUAL SPORTS DAY

The Prophet (ﷺ) said, A strong believer is better and is more beloved to Allah than a weak believer, although both are good.

Our bodies are an Amanah (trust) from Allah, we strive to teach our students to **honor this trust**. The annual sports day is filled with fun games and a **spirit of healthy competition!**

We **applaud the active participation and enthusiasm** displayed during the sports day every year, our students are honored with medals & trophies to celebrate!

# COMPETITION DAY

We are dedicated to providing a **holistic education**, to cultivate well-rounded Muslims & Muslimahs, well-equipped with a diverse set of skills. We have laid out an exciting set of competitions which will test our students' **memorization, artistic creativity, and public speaking skills!** We encourage our students to **explore new talents, develop new skills, and embrace the thrill of healthy competition.**
